HERITAGE PERTH ANNOUNCES HERITAGE PERTH HERITAGE DAYS 2010

The inaugural Heritage Perth Heritage Day was held in November 2009. It was an historical success with thousands of people converging on the streets, buildings, parks, theatres, museums, libraries and hotels of central Perth to celebrate its heritage.

Executive Director of Heritage Perth Richard Offen said "The success of our first Heritage Perth Heritage Day was phenomenal. We knew that people were interested in the history of our city, but the 'sell out' attendance at all the activities we put on just shows how much they care about our heritage."

Due to the unprecedented response Heritage Perth has decided to expand the celebrations across a weekend. In 2010, Heritage Perth Heritage Days will be held on Saturday 13 and Sunday 14 November.

An exciting program of activities is planned, which aims to make the weekend Perth's biggest ever heritage event that will showcase the City's history going back many thousands of years. The expanded 2010 program will include numerous exciting new venues including; Council House, the Perth Mint, West Australian Club, the Supreme Court, Government House and the Royal Perth Hospital Museum.

There will be never before seen "Behind Closed Doors" tours of Perth buildings, walking tours of colonial and indigenous sites, 'ceremonial regalia' displays, photographic exhibitions and Indigenous stories of Perth with traditional dance and music. And gardeners will not be disappointed. The tremendous interest in the inaugural "Meet the Gardener" tour at Stirling Gardens has seen the inclusion of both the historic Queens Garden and Government House Gardens in the 2010 program.

From the amazing and extraordinary to the unique and quirky there will be talks, tours, performances, music and activities for all ages that celebrate the people, places, buildings and events that have made Perth great.

Heritage Perth Heritage Days activities are FREE fun for all the family. This weekend offers the entire family the opportunity to have access to places and events that are not usually available to the public. For further details visit the Heritage Perth web-site.
